

ATK Building Contractors specialise in all forms of carpentry.

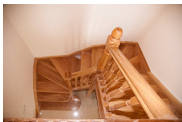

Wardrobes

If you are looking for a new wardrobe re-fit, ATK Building Contractors can satisfy your requirements using the latest ranges of built in wardrobes. From the smallest wardrobe right through to your walk-in wardrobe with automatic lighting, we can bring your ideas to a reality.

We can design your new wardrobes to suit your needs, in a wide range of door finishes and handle styles.

Timber Flooring

ATK Building Contractors can also help you if you are looking to lay timber flooring in your home. We specialise in all types of timber flooring from laminate, to semi solid to solid timber flooring. Our extensive flooring experience means that our carpenters will lay your floors to the highest of standards.

Doors, Skirting, Architrave, Staircases

We cater for all other types of carpentry work including doors, skirting, architraves and staircases.

If you have any further questions on our carpentry services, please [contact us](#) for further information.
