

Your kitchen is one of the most important living spaces within your home. To this end, ATK Building Contractors go to great lengths to ensure that our clients kitchens, are functional, while also looking great.

Whether you are looking for a new kitchen extension, or just a new kitchen fit out, we can take your ideas from the drawing board to reality. ATK Building Contractors will design a kitchen to suit all your requirements while also providing valuable suggestions from our experience.

We will cover all aspects of your new kitchen project from design to completion, including fitting of sinks, taps, integrated and non-integrated appliances. We will also complete all other work on your new kitchen including electrical, plumbing and tiling work, so all you will have to worry about is who will be coming for dinner!

ATK Building Contractors can add the final finishes to your new kitchen by completing the floor tiling or timber flooring to give your kitchen that final wow-factor.
