

At ATK building contractors we specialise in all aspects of bathroom fit-outs.

Whether you are just looking to have your bathroom tiled, a complete bathroom fit-out or a wet room, ATK Building Contractors will be able to complete all your work on time, and to the highest of standards. We cover all areas of bathroom renovations. A number of these are listed below. More recently we have completed a number of wheelchair accessible bathroom facilities in line with the latest building standards and regulations.

Typical bathroom projects have included:

- New bathroom fit-outs
- Complete bathroom re-fits/re-designs (including bathroom suite)
- Wet rooms
- Tiling & plumbing
- Shower units (electrical/power shower), trays and shower doors/screens
- Bathroom units (storage units, sink units etc...)
- Bathroom accessories (towel rails etc...)
- Bathroom-safe lighting
