

Welcome to the new website of ATK Building Contractors. We are a family run general building contracting company based in North Wicklow. We serve the North Wicklow and South Dublin areas. With almost 30 years experience in the building trade, our employees have extensive experience in all areas of building, from one-off house builds, extensions and conversions, to kitchen and bathroom fit-outs.

ATK Building Contractors prides itself on providing building services of only the highest of standards, and our fully qualified tradesmen provide a professional service at each job location.

Please browse our website to view further information on the range of building services we offer. If you have any questions or queries, please feel free to contact us... details can be found on the [contact us](#) page.
